You can pretend you don't miss me (me)

You can pretend you don't care

All you wanna do is kiss me (me)

Oh, what a shame I'm not there

You can pretend you don't miss me (me)

You can pretend you don't care

All you wanna do is kiss me (me)

Oh, what a shame I'm not there

What is it you want?

You can lie but I know that you're not fine

Every time you talk

It's all 'bout me, but you swear I'm not on your mind

You can pretend you don't miss me (me)

You can pretend you don't care

All you wanna do is kiss me (me)

Oh, what a shame I'm not there

Everybody knows

You and I are suicide and stolen art

Pretty mama sews

Stitches into all your bitches' broken hearts

You can pretend you don't miss me (me)

You can pretend you don't care

All you wanna do is kiss me (me)

Oh, what a shame I'm not there

Somebody new is gonna comfort you

Like you want me to

Somebody new is gonna comfort me

Like you never do

Every now and then, it hits me

That I'm the one that got away

But I guess bein' lonely fits me

And you were made for begging, "Stay"
